**Letter of Recommendation**

Dear Yousif

It is my pleasure to provide a recommendation letter to Dar Al Rokham who have over the last 10 years worked on several prestigious projects in both Dubai and Abu Dhabi for Al Futtaim Carillion.

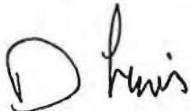

The portfolio of projects throughout the period of time includes The Yas Marina Hotel, Dubai Festival City and various projects for Emaar Developments located around the Burj Boulevard.

Throughout this period of time Dar Al Rokham has performed extremely well working to some very onerous deadlines without compromising Health & Safety and Quality.

The management team of Dar Al Rokham going from the top of the organisation moving down to the staff who are involved with delivery of the works have been very proactive throughout. This is indeed a hallmark of their teamwork and commitment that they give to Al Futtaim Carillion throughout this period of time.

I look forward to maintaining our continuous close working relationship with our ongoing projects going forward

Yours sincerely,

Derek Lewis  
Managing Director
