Re: Dar Al Rokham

With reference to the above mentioned company I am writing to confirm that Dar Al Rokham have carried out for us the complete marble fit out works for the following jobs:

1. Ritz Carlton Hotel Abu Dhabi
2. St Regis Hotel Abu Dhabi (Nation Tower)

Their performance on both jobs was extremely professional. The works was completed on time with the highest quality.

The Value of the two contracts together were just over AED 100M.

If you require any further information then please do not hesitate in contact me.

Respectfully,
