TO WHOM IT MAY CONCERN:

The purpose of this letter is to convey our appreciation for M/s Dar Al Rokham LLC during execution of the Family Hotel Project (Hilton) in Yas Island, Abu Dhabi.

Every aspect of the project was very well coordinated, starting from engineering, followed by production in their factory and finally the installation works on site. Their teams, from the PM to the all the workforce including their vendors and supply chain, have done an excellent work with high level of Quality, workmanship and Safety.
